Re: Microbiological standards for liquid sucrose

In response to inquiries regarding microbiological standards for liquid sucrose, United Sugars Corporation guarantees that our liquid product will meet the following specifications

- | | |
|-----------------------------|---|
| • Pathogenic microorganisms | None |
| • Mesophiles | NMT 200 CFU/ 10g |
| • Yeast | NMT 10 CFU/ 10g |
| • Mold | NMT 10 CFU/ 10g |
| • Flat Sour Spores | NMT 50 spores/ 10g |
| • Total Thermophilic Spores | Average NMT 125 spores for 5 samples
NMT 150 spores/ 10g in any one sample |

Liquid sucrose is a food grade product manufactured in accordance with current Good Manufacturing Practices and complies with the Federal Food Drug and Cosmetic Act and all other FDA regulations.

Please call or write if you have any questions or concerns. United Sugars Corporation is committed to continued service to our valued customers.
