

Light Brown Sugar

Our Light Brown Sugar is made by coating a fine granulated sugar with uniquely blended cane syrup to produce a brown sugar. This light brown sugar has a sweet/mild caramel flavor and color and is ideal for baking. The exceptional flavor and aroma is the result of our unique formulation.

Applications

Bakery products, baked beans, cereals, icings, caramel corn, toppings, syrups, smoked meats.

Products

Light Brown Sugar is available in 2, 4, 25 and 50 pound bags.

General Requirements

This food grade product is manufactured in accordance with Current Good Manufacturing Practices and complies with the Federal Food Drug and Cosmetic Act and all other FDA regulations as well as any applicable state statutes and regulations. Proper legible lot code format for all packaged products.
