Re: Flavor and odor of sugar

This memo provides a general statement regarding our compliance to odor and flavor specifications per your request.

United Sugars agrees to meet specification requirements for sucrose and will provide a product that is sweet and free of foreign flavors and odors. This agreement applies to all shipments supplied.

United Sugars product is free from:

Benophenone

Ehtyl acrylate

Eugenyl methyl ether

Myrcene

Pulegone

Pyridine

Styrene

Please call or write if you have any questions or concerns. United Sugars Corporation is committed to continued service to our valued customers.
