RE: Halal Status

Products manufactured by United Sugars Corporation are not Halal certified. However, we guarantee that:

- 1 enzyme could be used in the manufacture of any USC products. This one material is Halal Certified.
- No animal by-products are used in the manufacture of any USC product.
- There is no ethyl alcohol, even in trace amounts, in any USC product.

Please call or write if you have any questions or concerns. United Sugars Corporation is committed to continued service to our valued customers.
